Content: Happy St.Patty's Day! wanna know something crazy? I found our Irish flag in Kips box today. Kip was Travis's best friend who sadly passed away in Afghanistan when his CH-47D helicopter was shot down by enemy fire during combat operations. Earlier today I was talking to the doctor I work with about the movie Lone Survivor. Lone Survivor was a tribute & remake of what happened that day. At the end it shows all of the fallen soldiers that were on that helicopter.. including kip (who was the youngest). Back to what I was saying- out of all things.. why did I look in the box where we keep Kips things? Crazy.

Content: @thehill Maybe if kids got disciplined at home, they wouldn't shoot up schools, vandalize Wal-Marts, and just generally disrespect everything and everyone. Discipline starts at home. Who is supposed to step in when parents fail? How about the adults who spend the most time with them?
