@bubbaprog @Timintampa You people are morons. Somebody is going to feel threatened and pull a gun on you clowns. People will die if you keep this up. Protest peacefully don't attack people at dinner or a movie. If I was her boyfriend I would of pulled out my 45

@TrevorMahlmann @SpaceX I've been thinking about how I'm gonna shoot this one and it's pretty interesting given the changing light. I did find an atlas launch from 2015 that launched 45 min before sunset (similar to CRS 15) and this is how it came out. Just have to figure out settings now. <https://t.co/PVNRPIbUgx>

@fireheather @PatNotPart @Alyssa_Milano 1) I can appreciate that but consider this: While convincing one or two Fascists, you lull 10 or 20 Americans to sleep with dreams that Fascists are rational. When the fascists start shooting the babies instead of jailing them, who will you think you had helped?
