Content: @ohlmanvickie @SCharles56 @SenSchumer So you love your Vets? Well one thing you can't say is Trump is a brave hero. Him and his butt spurs. I am a Veteran he is a coward. He likes to think he would run into a building unarmed. Hell he wouldn't go in armed to the hilt.

Content: criminals don't follow the law they never have and I believe in almost every school shooting the guns used were stolen either from a parent or grand parents or even a neighbor who had purchased the guns legally

Content: @Molly3186 @glover\_ceo @marsupialme Your story is close to mine, only it was 3 Navy men who raped me. I too found the courage after 2 days to report it. It was 1965 and the girl was always at fault. Took me 52 years to get the right counseling.
