@Goldmario791 @nintendolife Sony deserves to be called on their crap for being the only one of the big three that wants a closed infrastructure to the point it is even locking people out of their purchases on VERY popular games. So yeah...it is shots fired since Microsoft & Nintendo are working together.

Decent pick... Comfortable playing on and off the ball. He can facilitate offense. Good passer and consistent shooter who can adapt to any system. I like that he's a four year player. Should be a solid contributor off the bench. Welcome to OKC Devon Hall
