1 year ago today a young boy was shot by 15 year old over a small bag of pot, just one block from my office. Today, i met the mother of the boy who was killed. Sad irresponsibility she said the boy with the gun "wanted to make a name for himself". Life in Prison. Sad. #LivePD

@HoarseWisperer Oppressors only understand and respond back to the force that they have used. They use a bat you use a knife, they pull a knife you use a gun. They must be broken. Civility to them is a sign of weakness.
