*@goshenhawk1 @AmazingDouglass @tedcruz At least be honest. Within hours of Botham Jean's shooting, Dallas Police asked for a search warrant for his home. This was not found during a crime scene investigation. Also, Amber Guyger was not arrested for almost 3 days by the Texas Rangers, not the Dallas Police.*

*@DogginTrump Dear Ann Coulter, our real problem is people like you who enable and protect rapists by giving them an excuse for their behavior and suggesting that they have no recourse other than rape. Is that why the 3 grown Navy men raped me when I was 14. You are pond scum.*

*@Trumptweets2020 No, you ignorant piece of crap, teenage girls don't USUALLY tell their parents if they've been raped... Because they are vilified when they do... and not all loving parents understand or support their daughter if/ when they tell. I speak from experience as a rape survivor*
