@JDartwork @MarkGraben @H_T_Adams @OliverMcGee I was taught in my weapons class....always shoot to kill! If you shoot to just stop them, not only can they possibly sue you, but you depending on the situation you can be arrested and charged. Hopefully i never have to make that decision

What's the craziest thing that's ever happened to you on a plane??? Last night Chuck Wicks' flight had to make a mid-flight emergency stop on his way home from Vegas... turns out there was SMOKE in the back of the plane! THEN they needed to test the crew for toxic fumes.
