As a congressman, he was having an argument with a colleague, who called him a rapist. As a response, he told her he would never rape her because she's not even worth raping. And then told her to cry. <https://t.co/vNASTAcD1j>

@connfishburn @ReaganBattalion REALLY? Any proof of that? Or, as usual, you're taking her word for it: she's a baby of liberals who are the ones who threaten, beat, accuse without proof, get ugly, burn, and murder. Who's threatening her? Get real!

@w_terrence Aren't U glad Dr didn't grab your PENIS? OMG! You would have been ruined for life, probably have had grounds for sexual assault, had PTSD the rest of your life, and not sure if you were Gay or Straight! Your mother should be thrown in jail for allowing such behavior to happen!
