Content: Now you just think of your kids in that school and a gunman walks in and kills them. What if it is a distraught parent that tried to get your help and got nothing after their child was killed? Would you still pray for them or want them dead?

Content: @davidwoellmer @musiclovercait @emilyinpublic David Woellmer, you ARE being insensitive. At 14 and only 110 lbs I was held down by two big men while a third raped me. It didn't leave ANY VISABLE marks on me. A bruised soul happens even when the body appears undamaged. Quit commenting on something you know no nothing about
