clientsuccess@socialsentinel.com

Important: Following the events in Charlottesville, the sensitivity of our library was adjusted to return more results containing hateful language. Since that time, the volume of social media posts has increased by 46%. The higher volume of social media posts and increased library sensitivity is creating an influx of alerts in some accounts. Our technical team is working to optimize the alerts that are delivered to you. Please contact your Client Success Manager with further questions.

Notification Time: Sat, Sep 16, 2017 6:00 AM
