@CommanderSpanx PS this gif was more of a journey than a destination. Searches included: suicide, shooting myself, setting myself on fire, the towering inferno, burning monk, falling while burning etc. etc.

@JoyParadeBlog @mysticalvisionz It is sad that I had to get raped to be conscious of what I do 24/7 because of dirty ass men. No I don't need to think of my words carefully, I said things w my heart. Try again

3 hours post-filming. I'm alive. I did still feel underprepared when it came to shooting, but I made it through. The result is a short clip that is probably not my best work, but it's still my work nonetheless.
