@TrickFreee I can't get anything through to anyone on Twitter to save my life or find any justice. How can you at Medium be unable to find me and access verifiable truth in person? All I have endured and still I can't reach one person to find justice.

@FoxNews Good thing he's white. Otherwise we would be reading another story about a cop shooting an unarmed black man.

Decided to give @lyft a try. App said it would be 1.5 hour wait. Bouncer fussed at me, so I canceled my ride and rode with a stranger. Lyft just charged me \$7. I guess for cancelled ride. It's worth the fee to not get raped waiting in a bad area by myself, but still frustrating.
