Content: @realDonaldTrump @USNavy How can a president bomb a country and at the same time refuse their refugees? <https://t.co/n0ZYOrQnNi>

“ President Donald Trump said that the attack was prompted by concern for the lives of Syrian civilians, but his administration has shown callous disregard for Syrians attempting to flee for their lives. He must immediately revoke the Muslim travel ban and end restrictions on refugees from Syria, fleeing the horrors at home. ”

Margaret Huang, executive director of Amnesty International USA
