*Keep your eyes on Parkview Elementary (Portsmouth) 6th grader Carmelo Swinson. He has a strong frame and is athletic and shifty. He handles the ball like he has it on a string and he's a very good shooter. Intelligent, savvy guard with good all around skills, he's been coached!*

*@IsLuvRage @CobiManessUno @tayk I would just like to say... he was CHARGED for a home invasion that ended in one capital murder, but he was NEVER CONVICTED. What ever happened to all are innocent until proven guilty? I guess you are the judge and jury. #AmeriKKKa*

*@DrPhil That is irrelevant. I've spent my career as a psychologist working with teens. There are enough programs to lock down any/all social media accounts, plus key log all devices. I.e., if she tried to start another account under a different name, the key log would show her activity.*
