Content: Looks like the father of the Waffle House gunman could be facing criminal charges, and he will definitely be sued in civil court. Dad apparently returned his son's AR-15 to him after they were confiscated by the state of Illinois, which, in turn, gave the gun to Dad. #JamesShaw

Content: 10 major US cities were hit. Cities in Europe & N Africa were hit. What really caught my attention was N Korea which was lit up like a ferris wheel with ICBMs going out. I realize now the "wheel" was bombs going out in all directions at the same time rapidly & continuously.
