It is happening almost weekly. Just this week alone, eight police officers shot in the line of duty this week. One was shot fatally this week. It did not help that Obama did not have Law Enforcement's back and did not support them. What to do?? SAD.

@Above_The_Gods @RT_com What led to the confrontation was the guy carrying concealed and looking for a conflict where not necessary. Only an idiot would be surprised when he starts menacing a woman AND kids and then gets his ass kicked when the man comes back. The video shows him a coward and a felon.
