Content: @ananavarro Anna, You are the biggest asshole on TV. You should get some class and learn from Barbara Bush. I am still laughing Trump convinced the UK and France to bomb Syria to take away from the Comey book. You can't be that stupid well then again.

Content: @ToddKron @marcorubio @mauriciomacri I was apolitical for several years until the MSD shooting (which is why I joined Twitter), and since then I haven't heard Rubio push for a vote on that bill. The tax reform passed with lightning speed. You would think there would be some urgency with getting a vote on this bill.
