For what it's worth, I'm terrified of escalators. When I need them to go from point A to point B - I take the fucking escalator. It's that simple. #KavanaughHearings

@TheDemocrat63 @intenseCA @CNN @GOP I heard. I don't think it will matter what anyone has to say. If there was video showing #kavanaugh attempting to rape #DrChristineBlaseyFord they Republicans would still vote to seat him. It's reprehensible.
