Content: He says he loves me, barely speaks to me. Barely acknowledges me. I am always alone because of it. I always feel alone. It makes me sad, it makes me depressed. It feels like he doesn't care. Like I'm just a thing that's there. Like I am nothing at all. What am I supposed to do.

Content: @Gold\_Starz Jojo tried sniffing his tail but the Beardie got really grumpy so he backed off real quick. They're tolerating each other at least, the Beardie can sense he isn't going to hurt him I guess, or maybe reptiles are just chill like that

Content: @1Romans58 @RobChristie11 Dear Mr. Obama: the majority of Americans are thrilled that you're no longer in the oval office and would love to see you go away. Every time you crawl out from under the rock that you live and open your mouth, we thank God that you are no longer calling the shots.
