@kenolin1 @spennington33 I might go to prison I would fire a close warning shot but one bullet from them I would drop one of them leg first. A good sniper rifle you can hit the mark from a mile.

I pointed to the door and continued, "If we go out there, we're going to die! Let's just go into the bathroom, where there are no windows." He reluctantly agreed, but when we got to the bathroom, it was brightly lit. It was unnerving. No power, no windows. Why was it so bright?
