@chlorinegrande @bruisedstranger @OddyKindaSloppy You seem to be having a mental breakdown. You might want to either see a Psychiatrist or get off the internet for a couple hours. <https://t.co/qLjumwz8ZU>

@Da_PrplGam3r @SuperheroPOLL Honestly thinking it's gonna be Hulk, there's a reason they made him basically nonexistent I'm infinitely war and are not showing him in the trailer for endgame. I feel it's all a set up for a HUGE redemption. Outside of that I'd love for drax to kill him like in the comics.
