Content: @williamlegate Joe Walsh attributes school gun violence to “broken families,” yet he was sued for failing to pay thousands of dollars in child support. You can’t make this stuff up.

Content: @marcorubio You’re only upset because China doesn’t contribute as much to your campaign funds. Once they do you’ll be on to the next thing. What ever came out of those school shooting town halls? Nothing - because the NRA check cleared. You aren’t fooling anyone. Stick to Bible quotes.

Content: @johnnykickstart @NRA John, Since you are a Catholic father of 8 (God bless you), I assume you're concerned about school gun violence. When you refuse to consider that easy access to guns might be part of the problem, then you remain part of the problem. Universal background checks, ban gun shows.

Content: Dear @NRA & Oliver North, I'm 42 years old, and I take Ritalin. I have been medicated for ADHD for almost 14 years. I have absolutely NO desire to commit mass murder. You're not an MD, so you have no clue what you're talking about. Hope you get sued for defamation. #NRA #Ritalin
