*@Brotherhood05 Those were the good old days, but times changed. Players can get hurt with no
supervision, a quit post on social media and here come the law suits against the district and coach.
Maybe a supervised open gym schedule would help. Or what happened to shooting outdoors at a
park?*

Keep your eyes on Parkview Elementary (Portsmouth) 6th grader Carmelo Swinson. He has a strong frame and is athletic and shifty. He handles the ball like he has it on a string and he's a very good shooter. Intelligent, savvy guard with good all around skills, he's been coached!
